

CLASSIC **PRO SERIES**

CSI Classic Pro Series Seville in COLORBOND® Surfmist

DESIGN OPTIONS

- Choice of four designs covering traditional to modern looks.
- Find a colour best suited to your home with a great selection of COLORBOND® colours.

STRENGTH & DURABILITY

- Galvanised steel door track & components.
- Nylon wheels with roller bearings provides smooth, durable operation.
- Polypropylene hinges are hidden within the panel and require no ongoing lubrication.

SAFETY & PROTECTION

- Hinged panels with a double-sided safety edge stop fingers being entrapped on both sides of the door.
- Soft, pliable bottom weatherseal helps stop leaves and rain entering under the door.

WIDE RANGE OF SIZES

- Available in doors widths 2200mm to 3000mm and 4700mm to 5300mm, in 5mm width increments
- Available in door heights 1825mm to 2450mm, in 5mm height increments.

PEACE OF MIND

CSI® Classic Garage Doors are covered by a 12 month warranty for domestic applications and surface coatings (excludes salt corrosion).
Visit www.csiclassicgd.com.au for warranty terms

CSI® Classic now combines decades of manufacturing know-how with a host of safety features and modern design options.

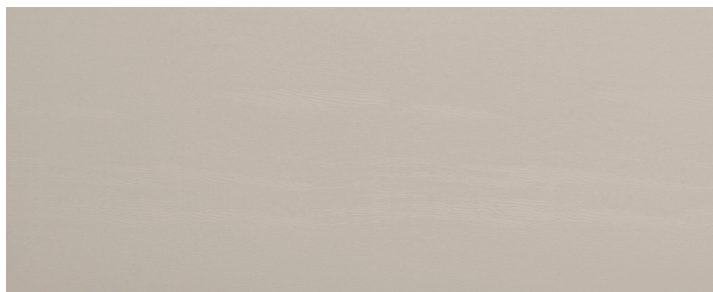

When you choose a CSI® Classic garage door, you're buying quality and reliability that won't break the budget.

CLASSIC

CSI CLASSIC PRO SERIES

DESIGN OPTIONS

CONTEMPORARY PROFILES

Nullabor - Textured Finish

Discover Nullabor - a contemporary, wide panel design with maximum street appeal.

Seville - Textured Finish

A sleek modern look that will suit many styles of homes.

CLASSIC PROFILES

Grange - Textured Finish

Statesman - Textured Finish

Timeless & classic in design, Statesman is suitable for both modern & federation style homes.

Our CSI Classic Pro Series Garage Door is powered by a purpose built CSI Motor which delivers affordable and secure garage door control with smooth and reliable operation.

The motor features:

- Soft start and stop to reduce door stress
- Automatic courtesy light
- Includes: 2 remote controls and 1 wall button

Please note: Garage Door Opener model subject to change, please enquire with your reseller.

OPENER WARRANTY

COLORBOND® RANGE

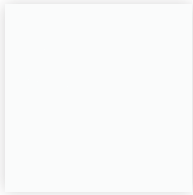

The COLORBOND® steel colours shown here have been reproduced to represent actual product colours as accurately as possible.

However, we recommend checking your chosen colour against an actual sample of the product before purchasing as varying light conditions and limitations of the printing process may affect colour tones. COLORBOND® and ® colour names are registered trade marks of BlueScope Steel Limited.

Your CSI® Classic Representative is:

- a) CSI® Classic Garage Doors, in normal residential use, are covered by a 12 month warranty for all components and associated labour, subject to the terms of the warranty and conditional on proper care, as recommended in the door's handbook. Full warranty terms are available from www.csiclassicgd.com.au.
- b) For areas within one kilometre of a corrosive environment eg. salt air or industrial fallout, special care and maintenance are generally required for metal products. Consult your CSI Doors® Dealer for advice.
- c) The company reserves the right to make changes or improvements to the products or accessories without notice and without incurring any obligation to make similar changes or improvements to goods previously ordered. Specifications are subject to change without notice.
- f) Details correct at date of publication.
